- Steak
- Hot Cocoa Rolls

4.

Read the text and answer the question.

Mr. Black asked 100 students about their mobile phone usage habits. Here are the results:

- More than half of the students use it to keep in touch with their friends.
- The number of the students who use mobile phones to find articles related to their lessons is less than all others.
- Playing online games using mobile phones is as popular as buying things from the Internet.

According to the results of the survey, which of the following is CORRECT?

5.

Read the text and answer the question.

Online games are very popular among young people. Lots of children are becoming addicted to the Internet and online games. They play online games on their tablets or smartphones. These children spend 6-10 hours online and they rarely have face-to-face communication with their families. Some of them refuse to go to school because they want to stay at home and play games. Parents are not happy about their children.

Which of the following does NOT have an answer in the text above?

- A) What kind of devices can children use to play online games?
- B) How much time do the addicted children spend online?
- C) What are the reasons for online game addiction?
- D) How do parents feel about their children's habits?
